

# New Patient Information

We welcome new patients at Eventus WholeHealth.

If your family member currently resides in a long-term care facility please inquire with the facility to determine if Eventus WholeHealth services are currently available.

You may also utilize the "**Contact Us**" link to reach us directly and we will confirm the availability of our services in the facility.

If you are already aware that Eventus WholeHealth services are available please complete the Skilled Nursing Services Request form or Assisted Living Service Request form located in the facility forms section of the Eventus WholeHealth website.
